

ANS Scholarship Check List Form

Please read carefully.

The scholarship application, transcript, letter of recommendation **and three** confidential reference forms **must all be mailed together** as a complete packet to ANS Headquarters, to the attention of Scholarship Coordinator. The students, with the help of the Faculty Advisor and the Department Head, will be responsible for collecting all necessary forms needed to complete the scholarship application packets. Your **application should be in the mail at least 7 days prior to the February 1** deadline.

If all the above forms are not included in same packet when mailed to ANS Headquarters, it will be considered an incomplete application. An incomplete packet could delay the scholarship application process in meeting the required deadline of February 1. You will not be contacted for the missing information.

Please use the check off list below to make sure all necessary forms are in you application package.

Undergraduate Scholarship

Enclosed

_____ Application

_____ Official School Transcript(s) with seal

_____ Sponsorship letter from ANS organization

Sponsorship for scholarship is made by an ANS organization, i.e., Local Section, Plant Branch, Student Section, etc. to establish that the applicant is indeed a student and deserving of the funds provided by ANS for the scholarship.

_____ Reference #1

_____ Reference #2

_____ Reference #3

Before the Reference Forms are handed to the respondents, the instructions for their disposition at the bottom should be completed by adding name and address of an appropriate local person - Faculty Advisor, Department Head, or student applicant, so that the completed Reference Forms may be included and forwarded to ANS with the application package.

For application to Decommissioning, Decontamination & Reutilization Scholarship ONLY

_____ Essay (form provided)

Applicants for the DD&R Scholarship must submit a brief essay discussing the importance of some aspect of DD&R to the future of the nuclear field.

For application to Charles (Tommy) Thomas Memorial Scholarship ONLY

_____ Essay (form provided)

Applicants for the Thomas Scholarship must submit a brief essay describing their perception of how environmental science and engineering related topics fit into the nuclear field, etc.

For application to Washington, DC Section Undergraduate Scholarship ONLY

Applicant must have a home (permanent) address within 100 miles of Washington, DC - see form provided

All of the above must be included to be considered a complete packet.

**Decommissioning, Decontamination, and Reutilization Division
Supplement to Individual Application**

Name (Last, First, Middle): _____

College or University: _____

Please prepare a brief (approximately 1 page or 500 words) description of your long- and short-term professional objectives. You may use this form or a separate blank page. Use a word processor. No hand-written submissions are permitted

**Charles (Tommy) Thomas Memorial Scholarship
Supplement to Individual Application**

Name (Last, First, Middle): _____

College or University: _____

Please prepare a brief essay describing how you perceive environmental science and engineering related topics fitting into the nuclear field and how you plan to contribute to the field during the course of your professional career. You may use this form or a separate blank page. No hand-written submissions are permitted. Use a word processor. Essay must be up to one (1) page, single spaced, 10 point font or larger.

Washington, DC Local Section Scholarship
Required Information*

Name: _____
Last First Middle

Permanent Address: _____
Street

_____ City State Zip

College or University: _____

Education Objectives - please be explicit:

(i.e., BS in Nuclear, BS in Nuclear Physics, or minor in Nuclear or Health Physics. In cases where the university does not have a nuclear program/degree, state your Risk Management, Nuclear Materials, etc.)

*To be eligible to receive the Washington, DC Section Scholarship, a student must meet all of the following criteria:

1. Must have completed at least two full years of undergraduate study at the time the scholarship is awarded.
2. Must be pursuing a degree in nuclear engineering, health physics, or nuclear-related studies. A minor in nuclear engineering or health physics may be considered as meeting this requirement.
3. Must have a home (permanent) address within 100 miles of Washington, DC. This will be determined using a mapping program, such as Mapquest, with the White House as the "origin."
